To Whom it May Concern

After almost one year trying unsuccessfully to collect the balance due from a major New York City developer, Construction Lien Consultants were able to settle with the account getting us paid.

Bruce Snyder spent many hours with the account as well as with other professionals on his team in order to reach a positive arrangement in a very short time with a very difficult customer - The Moinian Group.

Our thanks and appreciation for a job well done, we look forward to a long relationship with Bruce and CLC.

Sincerely,

*Susan L. Crescenzo*
