To whom it may concern:

I cannot thank Bruce Snyder, CEO of Construction Lien Consultants, LLC enough for his assistance in resolving my case with a large plumbing Contractor. There were no performance issues on the work I did in early 2008 and which amounted to \$161,000.00. They simply did not wish to pay me. I had been trying ever since then to collect these funds.

In desperation, I contacted Bruce to help me in early February 2011 and within three weeks, we were able to reach a positive settlement.

I can recommend Bruce to anyone who needs assistance in the recovery of their commercial claims.

Very truly yours,
