To Whom It May Concern:

After almost two years of trying unsuccessfully to collect significant balances from several clients – one of which was over \$300,000.00, we retained Construction Lien Consultants to represent us. Construction Lien Consultants settled the cases and we were paid the balances due us. The large case noted above was especially difficult to resolve, but we were very happy with the settlement we received.

Bruce Snyder and other professionals on his team spent many hours with these accounts in order to reach a positive settlement with these difficult customers.

Our thanks and appreciation for a job well done. We look forward to a long relationship with Bruce and CLC and would highly recommend them and their services.

Sincerely,

Zion Daniel
