Dear Bruce,

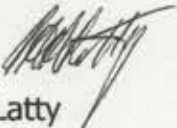

Thank you for a job well done in the resolution and recovery of 100% of past due funds from an excavating and construction General Contractor.

It was very impressive that it took less than a few months to receive the recovery check.

In addition, I would like to take this opportunity to thank you for the prompt and professional handling of all the prior cases you resolved for our company the last few years.

I look forward to a long relationship working with you.

Sincerely,

Ian Latty
President
